CHALLENGES WITH MURCH AT LAFAYETTE

- * ~1400 students on one site
- * No field for 2 years
- * No 5-12 year old play structure for two years
- * Large number of kids on the DPR play equipment.
 - * Tough to coordinate recess.
- * Parking concerns
- * Traffic concerns, especially around pick up and drop off.
- * Community impact
- * Utilities Capacity to support both schools
